The Grand Secretary then read the proceedings of the Special Grand Communication at Nanaimo, on the 21st October, 1874, which on motion were likewise confirmed. (Vide Appendix.)

The M.W. Grand Master then delivered the following

### ANNUAL ADDRESS.

Permit me, Brethren of the Grand Lodge, to extend a warm welcome to our Fourth Annual Communication and to renew the hope, that the same spirit of forbearance and fraternal sentiment, which has characterized our actions during the past four years, may distinguish us in the future and enable us with wisdom, to prosper and cement the union of our brotherhood in this young Province.

Though compared with other and far more populous jurisdictions, our numbers are small and unimportant, the time is not far distant when the rich resources of the country will enable British Columbians to participate in the thrift and progress of older countries on the American Continent; and when our Grand Lodge will assume her proper status with those enterprising sisters, which now command our great admiration for their wonderful strides in population, wealth and the glory of their masonic deeds. Glancing at the proceedings of other Grand Lodges, some of which come to us in most voluminous form and replete with the bright efforts of masonic genius and intellect, one cannot help deprecating the smallness of our own labors and lamenting the commensurate limitation of our apparent usefulness in furthering the great and universal interests of the craft. Yet, my brethren, it has fallen to our lot, to lay the corner stone of the Temple in this the most distant and isolated portion of the land. How glorious the mission, and how important the task of placing a foundation which may not be found defective for the superb superstructure which is sure to follow. How necessary for you to cultivate the utmost harmony and casting aside all selfish considerations, achieve

the success in this great work which may challenge the criticisms of those who follow, always recollecting, should you yourselves live to enjoy the fruits of fortunate labors,

"That if to-morrow's sun be thine,

With greater lustre shall it shine."

May the Great Architect of the Universe vouchsafe His blessing upon our efforts to promote the true principles of Freemasonry, may unity and peace be characteristics of our deliberations, and may He consecrate our designs to the glory of His Holy Name.

The past year, though not marked by that prosperity to the order, which all would fain experience, has been one of harmony and contentment among the craft.

We have been called upon to lament the demise of few of our brethren in this jurisdiction, and we have great reason to be thankful that so many of our "little band" are still spared to join with "strong hands and willing hearts" in our assemblages.

#### THE FRATERNAL DEAD.

Many of the Grand Bodies with whom we enjoy fraternal intercourse have not been so fortunate, and among these I may specially allude to the Sister Jurisdictions in our own Dominion. The Grand Lodges of Nova Scotia and Canada, both of which have been called upon to deplore the irreparable loss of their Grand Master's, who have been called upon to their final reward, full of years and honors. A long and intimate personal acquaintance from boyhood, with the late Grand Master of Canada, impels me to notice and mourn his death with profound and heartfelt sorrow. M. W. Bro. Wilson was mainly instrumental some twenty years ago, in harmonizing the various conflicting elements of the order in Canada and forming the now flourishing Grand Lodge of that name, numbering some three hundred and twenty subordinate Lodges. He has occupied the chair for half that period, with rare and distinguished ability, commanding the fervent gratitude of his brethren in a variety of forms and the respect and admiration of all Grand Lodges throughout the Masonic world. It was highly indicative of his character and genius, that his last official act was the issue of an Edict which solved for ever the sad and serious difficulty between the Grand Lodges of Canada and Quebec, and perpetuated friendship and brotherly love between many brethren, who for a long time had been bitterly estranged from each other. A faithful friend, a zealous and high minded Mason, he has gone to his rest, bearing to the last, the harness of office, both civil and masonic. With the recollection of his illustrious and well earned distinction enshrined in the hearts of all conversant with his good name, fragrant will be his memory for ever.

#### FRATERNAL RELATIONS WITH OTHER GRAND LODGES.

I am glad to inform you that the Grand Lodge of British Columbia enjoys communication with nearly all the Grand Bodies on the Continent and in the old world, from many of whom, messages of encouragement and congratulation on the regularity of our formation have continued to reach us. With special pleasure do I announce to you the hearty recognition and accompanying good wishes of our august mother, the Grand Lodge of England. We have been highly honored in the appointment of the E. W. Bro. McCreight as Representative of the Grand Lodge of England near this Grand Body. A kindly act, which will perpetuate the fervent attachment and respect which have always characterised our highly prized associations with her. Among the foreign Grand Lodges which have offered us recognition, I may specially notice the United Grand Lodge of Germany recently assembled at Bayreuth, and with whom we shall be glad to enter into fraternal intercourse.

I have also to state that Representatives have been exchanged with the Grand Lodges of Nebraska, Illinois and Louisiana in addition to those mentioned last year, and I trust my successor will appoint representatives to other Grand Bodies, expressing a desire to reciprocate this customary method of promoting the universal sentiment of Brotherhood.

#### OFFICIAL VISITATIONS.

The limited time at my disposal, and the absence of opportunity I have not permitted me to pay official visitations to all the subordinate Lodges of the jurisdiction, among which, however, general harmony and satisfaction prevail. In January last I had the pleasure of visiting and installing the officers elect of Victoria, Vancouver and British Columbia Lodges. As your executive head, I was the honored guest at a grand Installation Banquet given by the four Lodges of this city after the ceremony incident to all had been concluded. A delightful evening was spent, and the occasion one of gratifying unity and fraternal intercourse.

#### CONSECRATION OF THE HALL OF ASHLAR LODGE, NO. 3.

In October last, I had the pleasure of responding to the request of Ashlar Lodge, No. 3, to consecrate the beautiful Hall, lately erected by the members of this flourishing Lodge, at Nanaimo. As you are aware the Brethren of Nanaimo Lodge, No. 3, and Caledonia Lodge, No. 6, with a view of reconciling conflicting interests, adopted the sensible plan of uniting under the name of Ashlar Lodge No. 3, and I am glad to add, that no Lodge in the Province has brighter and happier prospects. Through the unity of action thus brought about, the brethren have been enabled to build a superb and capacious Hall, which besides contributing to their comfort and enjoyment, already yields a handsome interest on the amount invested.

On the occasion of my visit, I had the pleasure of being accompanied by several of the Grand Officers and others of this city, all of whom were greatly gratified by their experience of the courtesy and genuine hospitality so generously extended to us by our Nanaimo brethren. A record of the proceedings, consequent upon the ceremony of consecration and the banquet which followed, will be furnished in due course by the V. M. W. Grand Secretary. (Vide Appendix.)

#### NECESSITY OF A MASONIC HALL IN VICTORIA.

In connection with this subject, I must not omit to bring to your notice the great necessity which exists for a Masonic Hall, which may be the property of the Fraternity in this city.

Although some eleven or twelve thousand dollars have been paid for rent, etc., the enterprise, which might have saved to the craft this large sum, by procuring a suitable lot and erecting a fine hall, has been wanting, I trust and earnestly recommend that a few practical brethren will take the matter up and either by a joint stock association, or a combined action of the Lodges in this city, give some tangible effect to the proposition. As a means of investment, it would no doubt yield a handsome return, and as a mode of awakening interest in the craft and prospering the art in the masonic centre of the Province, nothing is more desirable. I believe too, that no more favorable period, as anticipating the time not far distant when available building lots will command a much higher price, could be chosen than the present.

#### RITUAL.

I have noticed in respect to the different Lodges in this city, that there is not that enthusiasm and interest manifested which used to characterize their communications. Reciprocal visitations are less frequent and a healthy as-

piration to fill the highest offices of the Lodge, seem to be sadly deficient in some of them. Lodges of instruction have almost passed into desuetude, and apart from the Worshipful Master who may or may not be conversant with the proper work of the Lodge, no recognized authority now exists to judge and direct this important feature in masonic assemblages.

This statement, somewhat incompatible with the well known formalities of the order, is easily explained by the fact that Lodges of the English and Scotch Registry were allowed to continue the practice of the rituals peculiar to each, after union in the formation of this Grand Lodge, and with the frequent changes in Mastership, the ceremonies appear to vary, and as a consequence lose their beauty and interest. I believe nothing tends more to destroy that laudable rivalry as to "who can best work and best agree," and I earnestly trust you will give the subject and desirability of *uniform work* your favorable consideration. I know that difficulties obstructing the attainment of this object exist, which brethren quite understand without further explanation from me. In a matter of such vital importance, however, to the present and future interests of the craft, I should be glad to see a Ritual adopted by the Grand Lodge, if only to govern the admission of future Lodges, and I indulge in the hope that it would not be long, ere existing Lodges "fall into line" and complete the real and genuine unity of the craft, by accepting the work you may as representatives of all decide upon.

#### DISPENSATIONS.

Few dispensations have been necessary during the past year. Two to confer the 2nd and 3rd Degrees before the expiration of the time allowed by the constitution, by the R. W. D. G. M. in my absence, one by myself to confer the Degrees upon an officer of the mercantile marine in accordance with the privilege allowed in Section of constitution to officers of the Royal Navy.

Five dispensations for Masonic Funerals have been issued.

#### NON-AFFILIATES.

One hesitates to introduce a subject for your consideration, which has generally evoked so much notice with a view to correction on the part of all other Grand Lodges and yet this trouble and great annoyance to the bona fide brotherhood is seemingly so much on the increase in this Jurisdiction that some action is necessary if only in a measure to control it. You can scarcely coerce a non-affiliate to renew his connection with the craft, indeed, in the interest of the order, this would often be very undesirable. This very objectionable class, however, can be prevented from participating in the benefits of the Fraternity when choice attracts, or necessity compels them to seek our Society, and I would recommend some enactment which may give effect to this proposition. There is in this community a large number of non-affiliated Masons to whom such legislation is most applicable and whose status in the order should be known and recognized.

#### GRAND LODGE LIBRARY, &c.

There are a few other topics to which I might allude in this imperfect address, such as the necessity of taking steps to form a grand Lodge Library, and properly preserving our Masonic Literature, Financial condition of the Grand Lodge, correspondence etc. etc., but I refer you to the concise report of our active Grand Secretary, which I know will afford you all necessary information upon these matters.

I should be recreant to a deep sense of gratitude, were I not to express the assurance of keen appreciation and sincere thanks for your continued favors, for your forbearance in respect to my short comings, and for your confidence, with which I have always been so abundantly honored. The lapse of time severs my official relation with the Grand Lodge, let me add from my heart, "God speed you" and my your deliberations be such as will secure to the craft the respect and admiration of the great, the high-minded and the good.

I. W. POWELL,  
Grand Master.

On motion, the address was referred to a Committee of three for comment, said Committee to be nominated by the R. W. Deputy Grand Master.

The R. W. Deputy Grand Master named as such Committee, Bros. Eli Harrison, Fred'k Williams and Thos. Shotbolt.

The Grand Secretary submitted the following:

## GRAND REPRESENTATIVES.

By direction of the M. W. the Grand Master the following commissions for Grand Representatives, near other Grand Easts, were issued from this office:

To R. W. William Adair, Dakota City, near Grand Lodge of Nebraska, on the 12th May, '74.  
To " John B. Monckton, London, near Grand Lodge of England, on the 26th May, '74.  
To " Loyal L. Munn, Freeport, near Grand East of Illinois, on the 14th July, '74.  
To " Amos Kent, Vermillionville, near Grand East of Louisiana, on the 27th Aug. '74.

The following Commissions for Grand Representatives of other Grand Easts near this Grand Lodge have been received at this office, and will be presented in due time:

For the R. W. Bro R. P. Rithet, Grand Swordbearer, to represent the Grand East of Nevada.

For the R. W. Bro. Simeon Duck, Past Grand Senior Warden, to represent the Grand Lodge of Illinois.

For the R. W. Bro John Foster McCreight, Deputy Grand Master, to represent the Grand Lodge of England.

For the R. W. Bro Fred'k Williams, Grand Director of Ceremonies, to represent the Grand East of Louisiana.

In accordance with the resolution passed at the last Communication of Grand Lodge, only a short extract of the proceedings of last session containing amendments to the constitution, and also the laws relating to the Benevolent and Widows and Orphans Funds were to be printed. About 250 copies of said extract have been printed and distributed to the various Grand Lodges and the Lodges in the Province, but only a very limited number remains on hand. Applications are continually being received by the Grand Secretary from Grand Secretaries and Brethren in distant places, for copies of the proceedings of Grand Lodges for the last year, and your Grand Secretary hopes that if the proceedings are to be printed in future, they may be ordered printed every year, as a great deal of clerical labor is caused to him if the proceedings of more than one year are printed together.

The printed proceedings of Sister Grand Lodges have been received with but few exceptions, a list of those received is hereunto appended.

The Grand Secretary takes pleasure in acknowledging the reception of the following books and pamphlets:—

From the Grand Lodge of Nebraska—2 volumes containing the proceedings of the Grand Lodge of Nevada from 1865, (the date of organization) to 1872.

From the Grand Lodge of Kansas, 1 volume containing the proceedings of the Grand Lodge of Kansas from its organization, 1855 to 1865.

From the Grand Lodge of Iowa, volume 5 of the proceedings of the Grand Lodge of Iowa, a reprint of the years 1869 to 1873 inclusive; also a volume containing a catalogue of the Library of that Grand Lodge.

The Bulletin of the Grand Orient of France.

The Reports of the United Grand Lodge League of Germany, (in German).

The Cornerstone published in New York.

The voice of Masonry published at Chicago.

The Michigan Free Mason.

The Masonic Token.

The Masonic Advocate.

The Freemason, published by Bro. Parson at St. Louis.

The Grand Secretary would suggest in order to make the proceedings of Grand Lodge accessible to the craft, that a Library be formed of proceedings of the different Grand Lodges, which are accumulating at such a rate that it seems necessary to provide proper accommodation for the same.

Of the utility of possessing such information accessible to the Masters of Lodges at all times, your Grand Secretary would mention, that owing to being in possession of the same, the Masters of two Lodges in this City have been able to detect two spurious Masons who claimed the charity of their Lodges, one of whom claimed to hail from Kentucky, and did not dream that in this far corner of mother earth, knowledge of his delinquencies could be had.

The Grand Secretary has filed the following motions to amend the constitution and the Benevolent and Widows and Orphans Funds:

**NOTICE OF MOTION** by V. W. H. F. Heisterman, Grand Secretary, and W. M. of QUADRA LODGE, No. 8, to amend the resolutions adopted by Grand Lodge on the 7th Dec., 1873, in reference to the Benevolent Fund, viz: In order to make the Benevolent Fund more applicable to Charity and the good of Masonry in general

**BE IT RESOLVED**—That in future all charity heretofore dispensed by the Lodges shall be taken from the Benevolent Fund, in addition to the purposes already specified.

For this purpose the Masters and Wardens of the several Lodges in Victoria shall form a Board of Relief, any three of whom shall form a quorum, who shall be empowered to relieve any distressed Worthy Brother, to the extent of Ten dollars at one time. Any larger sum shall be subject to a two-third vote of all the members of the Board in Victoria.

The Masters of the Lodges at Nanaimo, New Westminster, Burrard Inlet, and elsewhere hereafter Lodges may be instituted, shall together with their Wardens form the Board of Relief for such town, with the same powers as the Board at Victoria, except in the case of granting a larger sum than \$10, which shall be submitted to the Board at Victoria for confirmation and approval, and amendment if found necessary.

The Board of Relief shall have power to draw at once for any such sum upon the Grand Treasurer as custodian of the Benevolent Fund.

**ALSO**, to add to Section 8, page 41, of Members and their Duty: No Demit shall hereafter be granted to any Brother unless upon written application made to his Lodge at a regular meeting, unless in case of emergency, when the W. Master may grant an intermediate Demit, to be confirmed by the Lodge at its next regular meeting.

**NOTICE OF MOTION** by W. Thos. Trounce, Grand Superintendent of Works and W. M. of British Columbia Lodge, No. 5, to amend section 2, page 42, of the constitution in reference to "proposing Members," after the words:

2. Except in cases of Royal Naval and Military men add, "and officers of the Mercantile Marine."

All which is respectfully submitted,

H. F. HEISTERMAN,

Grand Sec'y.

## Report of the Finances of the Benevolent and Widows and Orphans Funds.

November 30th, 1874.

At the last Communication of the Grand Lodge, I reported that the sum of \$935.50 had been collected from 8 Lodges, (1 Lodge refusing to join in the movement) and that there was outstanding about \$240. The former sum having been paid to the Grand Treasurer as custodian of said Funds. That was the first year.

The results of the second year are as follows:

The arrears aggregated only,	- - - - -	\$201 00
And the contributions for 1874 amount to	- - - - -	744 62
Total,		<u>\$945 62</u>

Collected and paid to the grand Treasurer as follows:

For the Benevolent Fund,	- - - - -	\$631 25
For the Widows and Orphans Funds,	- - - - -	314 37
		<u>\$945 62</u>

I believe I am correct in stating that after 2 years trial, the Lodges are satisfied with the working of the scheme, if steps can be adopted to dispense also charity from this fund, which at this time has a balance of nearly \$1,700. The interest might also be increased by lending part of it on safe mortgage.

All which is respectfully submitted,

February, 1875.

H. F. HEISTERMAN,

Grand Secretary.

The Secretary of the Benevolent and Widows and Orphans Funds, in account current with the Grand Lodge of British Columbia.

The following letter of recognition of the United Grand Lodge of Germany assembled at Bayreuth was translated by the Grand Secretary, and on motion ordered to be printed with the Proceedings of this Session of the Grand Lodge:

Gross Lodge, zur Sonne, 1741, Orient Bayreuth.

The Grand Master of the Confederation and Grand Lodge zur Sonne in Orient Bayreuth, for the time being Head of the German Grand Lodge League.

To

The Grand Lodge of British Columbia in Victoria,

Most Worshipful Grand Master, Very Worshipful, beloved brethren:

By Command of the German Grand Lodge Confederation, whose representatives were assembled on the 1st June, 1873, in Bayreuth, I have the honor to communicate to you that the German Grand Lodge League has resolved to recognize your newly formed Grand Lodge, and is consequently prepared to enter with you and your subordinate Lodges into Masonic intercourse. All Brethren hailing from your Grand Lodge will therefore meet with a fraternal welcome in all German Lodges, as you will no doubt admit

our German brethren to your Lodges. We shall endeavour with joint forces to work at the common temple of humanity.

With Fraternal Greeting,  
The Grand Master,

The Grand Secretary,  
A. REDLICH,  
in Bayreuth, Bavaria.

Heidelberg, 1st Aug., 1873.

Freemasons Hall, London, W. C., 14th April, 1874.

V. W. Sir and Brother,

I beg to refer to my respects of the 13th Sep. last, in which I stated, that I would bring your letter of the 11th August, in which you say that it would afford great satisfaction to the Grand Lodge of British Columbia to be recognized by the Grand Lodge of England, before the Marquis of Ripon on his return to England. Circumstances have prevented his Lordship until recently from taking the matter again into consideration, I have now, however, the pleasure of informing you, that he has done so, and will be happy to recognize your Grand Lodge, and to exchange Representatives. I am therefore to propose as your representative here, Brother John Braddick Monckton, P. S., G. D., and President of the Colonial Board; and on being acquainted with the name of some Brother, who will be agreeable to your G. L. to receive as the Representative of England, I will submit it to my Grand Master for approval and have his patent prepared.

I am glad that this long pending question may, I hope, now be considered as finally settled and remain

V. W. Sir and Brother,  
Yours fraternally,  
JOHN HERVEY, G. S.

Grand Lodge of British Columbia.

Freemasons Hall, London, E. C., 9th Sep., 1874.

Dear Sir and V. W. Brother,

I beg to acknowledge receipt of your letter of the 9th June with patent of appointment for Bro. J. B. Monckton, as Representative of the Grand Lodge of British Columbia to this Grand Lodge, which I have duly handed to him.

I have now the pleasure to enclose herewith a patent appointing R. W. Brother J. F. McCreight, D. G. M., Representative of the G. L. of England to your Grand Lodge, which please deliver,

With best wishes, believe me,  
Yours truly and fraternally,

### REPORT ON GRAND MASTER'S ADDRESS.

TO THE MOST W. GRAND LODGE OF BRITISH COLUMBIA:

Your Committee to whom was referred the address of the M. W. G. M., respectfully report that they have carefully perused the same, but feel themselves wholly incompetent, with the limited time allowed them, to fully allude to the various points dwelt upon by the Grand Master.

That portion of the address which relates to the formation of G. L., and the future prospects of the order, has been handled in such a Masterly manner by the G. M., that it leaves but little to report, and they feel confident that Free Masonry in this Province is placed on a sure and firm basis, and entertain no doubt of its usefulness in the future.

That portion of the address which relates to the building of a Masonic Hall in Victoria, they consider a matter of very great importance to the Craft in this City, and would suggest that the different Lodges in Victoria do meet in convention and thoroughly discuss the subject that has been so strongly recommended by the Grand Master.

On the subject of Uniform Ritual, suggested by the G. M., they feel that if the suggestions made on that subject could be adopted by the Brethren, they are convinced it would be for the good of the order in this jurisdiction.

On the subject of Non Affiliates, your committee would suggest that strong measures be adopted by this G. L. in reference to the same.

On the subject of Grand Lodge Library recommended by the Grand Master, they feel the importance of the object, and would recommend that a Library Committee be appointed by this Grand Lodge.

In conclusion they would crave the indulgence of the G. L. for this crude and hastily written review of the address of the Grand Master, and beg to express their high appreciation of the fraternal spirit which pervades it, and would strongly recommend this Grand Lodge to re-elect him again to the high position which he so ably fills.

All of which is fraternally submitted,  
 FRED'K WILLIAMS,  
 ELI HARRISON,  
 THOS. SHOTBOLT. } Committee.

On motion the report was received, the committee discharged, and consideration thereof laid over until later this session.

The Committee on the Reports of the Grand Secretary, Grand Treasurer, and Board of General Purposes, presented the following report, viz:

To the Most Worshipful, the Grand Master, Grand Wardens, Officers and Worshipful Brethren of the M. W. Grand Lodge of British Columbia, in session assembled:

Your Committee to whom the reports of the Grand Secretary, Grand Treasurer and Board of General Purposes were referred, submit the following:

1. Your committee having perused the Grand Secretary's Report, beg to suggest the printing of Grand Lodge Proceedings as recommended by the Grand Secretary.

2. Also the purchase of a Bookcase to contain the reports and Books and other Masonic works belonging to this Grand Lodge, and the formation of a Masonic library to be under the charge of the Grand Secretary.

3. In conclusion your committee respectfully recommend the adoption of the Grand Secretary's report, and desire to express that great credit is due to the efficient Grand Secretary for the able and elaborate report furnished.

4. In reference to the Report of the V. W., the Grand Treasurer, they respectfully beg leave to recommend the adoption of the same, and also beg to refer to the Report of the audit committee embodied in the report submitted by the Board of General Purposes, and in conclusion beg to express their appreciation of the very able manner in which the V. W. Grand Treasurer has discharged his duty, and their satisfaction at the prosperous state of the Finances of Grand Lodge.

5. They recommend that part 5 of the report of the Board of General Purposes be adopted.

6. They likewise recommend the extinction of the debt due British Columbia Lodge, No. 5.

7. Your committee beg to approve of the action of the Board of General Purposes, in appointing a committee to gather information as to a suitable site for a Masonic building plot, and think it highly desirable that a lot for such a purpose be acquired, and recommend that action be taken at this session of Grand Lodge.

All which is respectfully submitted,

EBENEZER BROWN, }  
THOS. TROUNCE, } Committee.  
W. FRASER.

On motion the report was received, and the committee discharged.

On considering the suggestions contained in the M. W. Grand Master's address and the report of the committee thereon.

W. Bro. Williams moved, and W. Bro. H. Brown, seconded.

That the suggestions contained in the Address regarding the acquisition of a Masonic Hall be adopted. Carried.

R. : W. : Bro. Henry Nathan moved, and W. : Bro. William Harrison seconded,

After a careful examination of the plans of several Grand Lodges in the United States, and an earnest consideration of this very important subject, it was

THOS. TROUNCE, } on Credentials.

On motion the report so far as made was received, and the Committee granted further time. The Representatives therein reported were admitted to seats.

The proceedings of the special Communication at New Westminster and those of the last Grand Communication having been printed, were on motion taken as read and confirmed.

The M. W. the Grand Master then delivered an address on the progress and affairs of this Grand Lodge during the year just past, and on motion the same was referred to a committee of three:

R. W. Simeon Duck, S. G. W.,  
W. Eli Harrison, D. G. of C.  
V. W. H. F. Heisterman, G. Secretary,

with instructions to report at the earliest possible time.

R. W. James A. Grahame Deputy G. M., presented the following Report, which was on motion received and referred to G. Master's Committee:

Victoria, B. C., 19th November, 1873.

TO THE M. W. THE GRAND MASTER AND BRETHREN OF THE  
GRAND LODGE OF BRITISH COLUMBIA IN SESSION:

Allow me, Most Worshipful Sir and Brethren of the Grand Lodge, to give a report of my official visitations during the past year.

On the 4th of September last, I paid an official visit to Victoria Lodge, No. 1, accompanied by the several Grand Officers, and saw there an exemplification of the third Degree to my entire approbation. This Lodge seems to be in a flourishing and sound condition, and the books and accounts and minutes well kept.

On the 16th September, I paid an official visit to British Columbia Lodge, No. 5, accompanied as before, and saw an exemplification of the first Degree,

and was, if anything, more pleased with the mode of working that in my first visit. From reports of the Grand Secretary, the books and Funds of both Lodges are well kept, and in a flourishing condition.

As private business took me up last summer, I was unable to pay an official visit in accordance with a request received from the Grand Secretary, No. 4, on the 16th August last, and saw the candidate to my entire satisfaction. The elements of prosperity, its members and the result is visible every way, as the

About the middle of October, I was requested in the absence of yourself, to lay the corner stone of the New Masonic Temple at Nanaimo. Owing to pressing other business, I delegated R. W. J. F. McCreight P. D. G. M., to perform the ceremony, which he did in ancient and ample form, and I am happy to say this visit to Nanaimo has brought about a proposal for the Union of Nanaimo Lodge, No. 3, and Caledonia Lodge, No. 6, a petition in reference to which will be laid before Grand Lodge.

In conclusion, I beg to submit my credentials as Grand Representative of the Grand Lodge of California near this Grand Lodge.

Respectfully submitted,

JAS. A. GRAHAME,  
Deputy Grand Master.

The R. W. the P. Deputy Grand Master then presented the following Report on the proceedings of the Grand Lodge at Nanaimo on the 15th October, 1873, in laying the corner stone of the New Masonic Hall at that place.

#### FOUNDATION STONE, NANAIMO.

R. W. Bro. John Foster McCreight, Past Deputy Grand Master, having been authorized by the R. W. Deputy Grand Master, Bro. Jas. A. Grahame, acting on behalf in the absence of the M. W. the Grand Master to lay the foundation Stone of the New Masonic Hall at Nanaimo, with the usual Masonic ceremonies, submitted the following report:

To Israel Wood Powell, Grand Master Mason, Lieut Col.  
of British Columbia:

Most Worshipful Sir,

It affords me much pleasure to report that the duty enjoined by letters of ninth of October, 1873, under the hands of R. W. Bro. Jas. A. Grahame, "to lay the foundation stone of the New Masonic Hall, to be erected in Nanaimo," was attended with the Masonic Ceremonies, customary on such occasions on the 15th of the same month.

I was accompanied in my visit by M. W. Bro. Robert Burnaby, Past Grand Master, V. W. H. F. Heisterman, Grand Secretary, W. Bro. Cornelius Thorne, acting as G. Senior Warden, and W. Bro. Robt. Plummer, acting as Grand Director of Ceremonies, who one and all lent most efficient aid throughout the proceedings.

The officers and Members of Nanaimo Lodge, No. 3, and Caledonia Lodge, No. 6, afforded me every assistance and facility in their power, and gave a decided tone to the ceremony by their excellent band of 20 pieces or more, who at various intervals played most appropriate sacred music.

The occasion being quite unusual in that locality, attracted a large assemblage of spectators, who were particularly orderly and attentive during the ceremonies.

The Nanaimo brethren have for some time suffered considerable inconvenience for want of a suitable place of meeting, and the step they have taken in building a Hall of their own in the best part of the thriving town of Nanaimo, will I feel confident result in increased harmony and prosperity of the order.

and from the accustomed energy of the Brethren of the said Lodges, I feel sure that they will carry the undertaking to a successful issue.

All of which is respectfully submitted,

J. F. McCREIGHT,

P. D. Grand Master.

December 6th, 1873.

On motion the report was received and also referred to the committee appointed on the M. W. the Grand Master's address.

The Grand Secretary then presented the Grand Secretary's General Report:

TO THE MOST WORSHIPFUL GRAND LODGE OF A. F. & A. M.  
OF BRITISH COLUMBIA:

I have the honor to submit, for the information of Grand Lodge, the following Report of the proceedings of the Grand Secretary's office for the past year.

Immediately after the annual communication in December last, I had 350 copies of the proceedings of G. Lodge for the year ending 1st November, 1872, printed under my direction, and distributed as usual to the G. Lodge officers, permanent members of G. Lodge, all subordinate Lodges in this Jurisdiction, Grand Lodges in America and Europe, as also to many other active Members of this Jurisdiction, not entitled to seats in Grand Lodge, but who desire to make themselves acquainted with the constitution by which we are governed.

The Blanks of the Charters and Diplomas having arrived in March last, was enabled to issue the confirmatory Charters to the 9 Lodges who formed this Grand Lodge, also to supply the Lodges with the necessary Diplomas for the candidates raised during the past year.

On the 9th October last, by direction of the R. W. Deputy Grand Master, I issued a dispensation to R. W. John Foster McCreight, Past Deputy Grand Master, to lay the foundation stone of the New Masonic Hall at Nanaimo, with the usual honors.

Blank returns were forwarded as usual to the Secretaries in the month of October, with a repetition of the urgent request to have them filled in and returned to this office before the 1st November, so as to enable me to submit to Grand Lodge at this Communication, satisfactory statistical information.

All the 9 Lodges have made their returns, not as requested before the 1st November, but some only as late as the 5th of December. It will be recollected that last year, I gave a special mead of praise to the worthy Secretary of Victoria Lodge, No. 1, for his promptitude in making his returns, I regret however to state that instead of being first he has been the last to make returns and the honor of having made the promptest returns, falls to British Columbia Lodge, No. 5.

Great demands have been made upon the several Lodges for their initial payments to the Benevolent and Widows and Orphans Funds, called to life this year. From returns elsewhere made, it will appear that Victoria and Vancouver Lodges respectively had to pay \$447 to those Funds, and \$209 of Grand Lodge Dues, which does account in some measure for their tardiness in making their payments. The first payments to the separate Funds having been made, the calls on the Lodges will be much lighter, and in future I trust the first Lodge in the Jurisdiction will be again the foremost in making returns.

The returns received exhibit the following results:

All the 9 Chartered Lodges have made returns for the year now ended.

Number initiated during the year,	25
" passed	24

Number raised during the year,	23
" demitted "	21
" affiliated "	10
suspended for un-Masonic conduct,	2
suspended for non-payment of dues,	13
rejected, - - - - -	5
died, - - - - -	6
withdrawn from Lodge, - - -	1
whole number of Masons, - -	282

It will thus be seen that owing to the number of suspensions and demitts, besides the deaths, the total number of our active members has decreased, although there is this year an increase in the number raised, which somewhat counterbalances the large losses, the Lodges have experienced from the two former causes.

To one evil I would wish to draw the attention of Grand Lodge, it is the large number of unaffiliated Master Masons in our midst.

I do not know whether anything can be done by Grand Lodge to compel affiliation, and I would much like to elicit the opinion of Grand Lodge upon the subject, of this however I am certain no demit should be granted to any brother unless he desires to leave the Province. Should an amendment to our constitution be passed on this head, it would no doubt stop in a great measure secession from the craft.

Dispensations were issued by authority of the M. W. the Grand Master, for the following purposes:

To confer degrees at short periods, - - -	1
To bury deceased brethren, - - - - -	5

The Grand Secretary has received the printed proceedings of Sister Grand Lodges, a list of which is hereunto appended, and has pleasure in acknowledging the fraternal courtesy extended to Grand Lodge by the publishers of the following Masonic periodicals, furnished free of charge, viz:

"The St. Louis Free Mason," Bro. Geo. Frank Gouley, Grand Secretary of Missouri, Editor and Proprietor.

"The Masonic Jewel," of Memphis, Tennessee, Bro. A. J. Wheeler, Editor and Proprietor.

"The Michigan Free Mason," published at Kalamazoo, and edited by Bro. Foster Pratt, Grand Secretary of Michigan.

"The Masonic Token," published at Portland, Maine, by Bro. Stephen Berry.

An occasional number of the "Masonic Mirror," of San Francisco.

The "United States Masonic Register," from the compiler W. Bro. Levi P. Lemont of Bath, Maine,

He has also received a reprint of the Proceedings of the grand Lodge of Maine from its organization, A. D., 1820, to A. D., 1847, a neatly bound volume.

Also presentation copies of the constitutions of the Grand Lodges of Massachusetts and Rhode Island, the former published A. D. 1873, the latter A. D. 1872.

Also a presentation copy of the proceedings of the Grand Lodge of Iowa 1869, 1873 and Grand Lodge Library books.

Also presentation copy of proceedings Grand Lodge Colorado, 1861-'69. In accordance with Section 15, page 23, of the constitution, the following notice to amend the constitution has been duly filed by W. Bro. Wm. Stewart, P. M., of Caledonia Lodge, No. 6, viz:

Notice of Motion by P. M. Bro Stewart, of Caledonia Lodge, No. 6, to amend Article 15 of the Constitution, by striking out the words "at the City of Victoria," and substituting the words "at the place sanctioned by the meeting of G. L.

Also, Article 2, page 42,—Proposing Members—by striking out the words "except in cases of Royal Naval and Military men,"

Article 5, page 43.—Proposing Members—the form of Petition, the word "Freeman" to be struck out and the word "Free-born" substituted.

The books, accounts, papers &c, of the Grand Secretary's office are submitted for the inspection of Grand Lodge.

The Reports from the respective Lodges throughout the Jurisdiction tend to show, that they are in a satisfactory and flourishing condition.

Fraternally submitted,

H. F. HEISTERMAN,

Grand Secretary.

Victoria, B. C., 6th Dec. 1873.

W. the Grand Master, who signed the By-law on the 5th of July last, all the Lodges except Cariboo Lodge, No. 4, having accepted it, and this Lodge was specially excepted from its operation. 10. The Finances of Grand Lodge are not in an unsatisfactory state, considering the large outlay incurred for charters, Diplomas, Commissions and other necessary printing, as will be found set forth by the Report of the Audit Committee, as follows:

TO THE BOARD OF GENERAL PURPOSES  
OF BRITISH COLUMBIA:

The committee appointed by the Goard to audit the accounts, and examine the books of the Grand Treasurer and Grand Secretary, for the year ending November 1st, 1873, beg leave to make the following report:

That they have carefully examined the books and accounts of the above Grand officers and find them correct. Your committee have the satisfaction of expressing their gratification at the way the books of both the Grand Secretary and Grand Treasurer are kept. The receipts for the past year are \$765, the balance on hand from last year was \$295 70, making a total of \$1060 70. ## EVENING SESSION.

6th December, 1873.

The Grand Lodge resumed labor, the same officers and Members being present.

The following report on the M.:W.: Grand Master's Address. The R.:W.: the Deputy Grand Master's Report, and the R.:W.: the past Deputy Grand Master's Report was then presented.

Grand Lodge Rooms,  
6th December, 1873.

To the Most Worshipful the Grand Lodge  
of Free and Accepted Masons of British Columbia:

The Committee to whom was referred, the address of the Most Worshipful the Grand Master take this opportunity to record their entire approval of the message. Your Committee beg to recommend.

That so much as refers to the application of the Grand Lodge of Hungary for recognition, be referred to a special Committee, to report at the next meeting of Grand Lodge.

That the appointment of M.:W.: Bro. Robertson as Representative, near the Grand Lodge of Utah.

Also, the appointment of R.:W.: Bro. W. W. Francis, near the Grand Lodge of Oregon.

Also, the appointment of M.:W.: Bro. James Laidley, near the Grand Lodge of California.

Also, the appointment of R.:W.: Bro. T. F. McElroy, near the Grand Lodge of Washington, be confirmed.

They beg further to recommend, an extension of the system of Grand Lodge Representatives near other American and Foreign Grand Lodges, so as to bring this Grand Lodge into closer relationship with them.

Your Committee is pleased to observe, that the craft in the Province generally is advancing, and that progress is evidenced by the building of a new Masonic Hall at Nanaimo.

Your committee congratulate Grand Lodge on the successful organization of the Benevolent and Widows and Orphans' Funds, and do not doubt but that the scheme will work well after a little while, and great benefits will accrue therefrom to the craft and believe that Cariboo Lodge, No. 4, ere another year will form a component part of it.

They congratulate Nanaimo and Caledonia Lodges upon having taken the initiatory steps to unite as one Lodge, and think that they are working in the right direction.

Your committee are grateful for the honor shewn this Grand Lodge by inviting its 6 principal officers to the opening of the new Temple at Philadelphia, and hope that ere another year matures, some plan may be devised to build a Masonic temple in this city.

Your committee are pleased to learn, that the R.:W.: the Deputy Grand Master, has shewn marked interest in the welfare of the craft by his sundry official visits, and only regret, that he is not present.

That harmony, peace and good will have prevailed through this Jurisdiction, since the last Annual Communication, is a matter of profound thankfulness and is in a large measure due to the wisdom and care of the Grand Lodge officers, to whom the thanks of Grand Lodge are due.

In conclusion, your committee beg to observe that the M.:W.: the Grand

Master, having so successfully steered the bark of this young Grand Lodge, it would be but wisdom to elect him, for the third term.

All which is respectfully submitted,

SIMEON DUCK,	} Committee on	
ELI HARRISON,		Grand Master's
H. F. HEISTERMAN,		Address.

On motion this report was received, the committee discharged, and the thanks of Grand Lodge tendered them for their services.

The special committee on the Grand Treasurer's accounts reported as follows:

To the M.·W.·. Grand Master, R.·W.·. D. G. Master, Grand Wardens, Officers and W. Brethren of the Grand Lodge of British Columbia:

Your committee appointed to take into consideration the Report of the Grand Treasurer, respectfully beg leave to recommend the adoption of the same, and also beg reference to the Report of the Audit committee enbordered in the Report already submitted by the board of General Purposes.

All of which is respectfully submitted,

R. P. RITHET,	} Committee on	
THOS. SHOTBOLT,		Grand Treasur-
J. C. HUGHES.		ers' Report.

On motion the report was received and placed on file.

The following report on Grand Secretary's report was then read by W.·. Bro. J. C. Hughes, Grand Junior Deacon:

To the M.·W.·. the Grand Master, Grand Wardens, Officers and Worshipful Brethren of the Most Worshipful Grand Lodge of British Columbia, in session assembled:

Your committee to whom the Grand Secretary's Report has been submitted, respectfully beg leave to report as follows:

1. Your committee approve of the action of the Grand Secretary respecting the distribution of the constitutions as explained.

2. They regret to perceive that some of the subordinate Lodges have put the Grand Secretary to inconvenience, by failing to make their returns as required, and respectfully recommend that the remarks of the Grand Secretary on the subject be duly considered by the Lodge to which the same may apply.

3. While your committee exceedingly regret to learn of the large number of unaffiliated Masons in this jurisdiction, they cannot conceive of any constitutional measure that could be brought forward for the purpose of compelling such Masons to affiliate, and further your committee cannot concur with the report, respecting the advisability of withholding Demits from Brethren, who may wish to sever their connection with any Lodge, and still remain in the Province. Brotherly love and not coercion being one of the principal tenets of the order.

4. Respecting Bro. Stewart's notice of motion to amend constitution, your committee consider, that as it must come before the M.·W.·. Grand Lodge, it is unnecessary for them to make any comments thereon.

5. Your committee reluctantly refer to the heavy expenditure, that has been incurred in printing and postages, and earnestly recommend that the utmost care should be taken in the future to avoid such a large outlay under these heads, the amount for the year exceeding \$250.

6. Should the M. W. Grand Lodge decide to have its proceedings printed in detail. Your committee respectfully suggest that no mention be made of the names of candidates rejected by any of the Lodges. That although it may be perfectly proper for the Grand Secretary to give names in his report to the M. W. Grand Lodge for its information, it is evidently unjust to cast a stigma upon the character of parties rejected, by the publication of their names, without being able to give any reason or explanation why they were so rejected.

7. In conclusion, your committee respectfully recommend the adoption of the Grand Secretary's report with the exception of the portions of it, specially referred to in the foregoing clauses.

All which is respectfully submitted,

J. C. HUGHES, } Committee on  
R. P. RITHET, } Grand Secre-  
THOS. SHOTBOLT, } tary's Report.

Victoria, B. C., 6th Dec., 5873.

On motion the report was received, the committee discharged, and their recommendations acted upon.

V. W. Marshall W. Waitt, Grand Treasurer, then presented his credentials as Grand Representative of the neighboring Grand Lodge of Washington Territory near this Grand Lodge.

A Grand Lodge of Masons under the style of the Grand Orient of Hungary, having been formed, and having seceded from the Grand Orient of France, applied for recognition by this Grand Lodge.

Owing to the uncertainty prevailing in regard to the Status of the Grand Lodge of France and most American Grand Lodges, it was deemed prudent to make further enquiries before recognition could be granted by this Grand Lodge, and on motion the case was referred to a special committee of three, to report at the next meeting of Grand Lodge.

The M. W. the Grand Master nominated V. W. Bro. Grand Secretary, W. Bro. A. Astrico, and R. W. acting G. J. Warden, Eli Harrison.

9. Clause 1, page 45, second line, the 2 "or's" to be expunged and commas inserted, and "after" in third line to be altered to "or after."
10. Clause 3, page 46, 4th line, that the word "by" be expunged and the clause at end read "unless conferred under dispensation from the Grand Master."
11. Clause 1, page 46, that the words "or that of his friends" be inserted at second line after the words "at his own request," and also in fourth line after "wish of the deceased."

The following Resolutions adopted by the Board of General Purposes and confirmed by the M. W. the Grand Master, were then adopted as a whole.

1. That the Lodges in this jurisdiction shall pay Two Dollars from each subscribing member on their roll, also for every Candidate raised or affiliated hereafter from a Lodge without the Province, the aforesaid sum of Two Dollars, in order to start the said Fund.
2. Each Lodge in this jurisdiction shall pay Seventy-Five cents quarterly, in advance, for every Member in good standing.
3. All monies collected as aforesaid, shall be remitted to the Grand Secretary, who shall keep proper accounts of all monies so received and pay the same over to the Grand Treasurer in the following proportions, to wit:  
 $\frac{3}{4}$ ths to the Fund of Benevolence.  
 $\frac{1}{4}$ th to the Widows' and Orphans' Fund.

The Officers and Members of Ashlar Lodge, No. 3, whose Hall was to be consecrated, and members of nearly all the Lodges in the Province, besides those from Washington Territory and elsewhere.

The Lodge room having been properly tyled, and it having been ascertained that none but Master Masons were present, the Lodge was successively opened in the first, second and third Degrees, by the M. W. the Grand Master.

W. Fred. Williams, acting as V. W. and Rev'd Grand Chaplain, then offered up the following prayer:

O ADORABLE LORD GOD, Maker of all things, and Judge of all men, regard, we humbly beseech Thee, with Thy special favor, this our present undertaking, and grant that the work which we now commence in Thy name, may conduce to Thy glory, and to the good temporal and eternal of Thy dependent creatures. Let a scrupulous regard to the obligation which, in Thy name, and under Thine all seeing eye, shall be herein entered into, distinguish all upon whom the privileges of Initiation shall be conferred; that they abounding in all holy con-

versation and godliness, may become true and worthy members of our venerable Order, and that their practice may in all things correspond with their profession. Response by the Brethren. So mote it be.

The Grand Honors were then given.

Solemn music followed.

Psalm CXXXIII was then read.

The Grand Honors were given again.

The following oration on the objects and nature of Freemasonry was thereupon

DELIVERED BY R. W. FRED'K. WILLIAMS, GRAND DIRECTOR OF CEREMONIES, ACTING AS GRAND ORATOR, ON THE OCCASION OF THE DEDICATION OF MASONIC HALL, NANAIMO, B. C., OCTOBER 21ST, 1874.

BRETHREN,—By command of the most Worshipful the Grand Master, and in accordance with ancient custom on occasions like the present, the duty devolves on me of delivering an address on the merits and obligations of our Order.

Were I as able as I am willing, the task would easily be accomplished, for the materials are indeed abundant to prove its antiquity and its value. Masonry was practiced by the shepherd Astronomers and Astrologers of Chaldea, by the Priest Kings of Egypt, by the Brahmins of India, and by the Philosophers of Greece, and it reached its meridian splendor when Solomon, the then Grand Master of the Order, surrounded by his Brethren, laid with Masonic honors the foundation stone of the temple, which he intended to dedicate to the service of God. We have the authority of a credible Roman historian for saying that when Julian, the apostate, 1800 years after, cleared the foundations of the same temple, the vaulted chamber was discovered in which our ancient Brethren had assembled, with its most sacred and most secret symbols perfect and undisturbed. These symbols are to be traced among nations wide as the poles asunder, differing as much in their language, creed, colour and character as in the period at which, and the land in which they lived; they are to be found on the Pyramids of Egypt, the caves of Elephantia, the temples of classic Greece, the round towers of Ireland, the courts of the Alhambra, and the arches of our sublime cathedrals. Whence there this universal presence and permanence? Because its foundations rest not on the mutable and perishable circumstances of external life, but on sentiments which spring from and appeal to the most deep-seated affections of our nature, and are founded on the purest principles of piety and virtue.

The volume of the sacred Law is never closed in our Lodges; from its page we derive our duty to God, our neighbors and ourselves. We learn to look up to God as the one great cause, to implore His aid on all our lawful undertakings, and to bend with resignation to His divine will. We are taught to regard the whole human race as the children of one father, whom we are to treat with justice, to relieve in want and comfort in sorrow. For ourselves, we are taught to be prudent, temperate, enduring and just. As citizens we are enjoined to be loyal and peaceful, our motto being "Fear God, honour the Sovereign." Under every emblem in our Lodges, there lie solemn and important truths, tending to purify the morals, to improve the understanding, bind the human family more closely together, and to raise the soul to God. The implements of labor teach us the use we are to make upon earth of the talents committed to us by our Great Creator and Judge, and remind us of the account we must render of their use when we are summoned to His presence in the Grand Lodge above. tained by the felicitous combination of the love of art, and the sublime truths of religion and morality which Freemasonry taught them, they fanned the feeble spark until it burst into a bright and enduring flame, which has shown its fruits in the creation of those miracles of Art which still astonish, delight, and instruct the world. Again, Freemasonry has bound men more closely together than any other human institution. In those dark ages to which I have alluded, Freemasonry not only protected those who were within its pale, but threw its shield like its offspring chivalry, over all who were suffering and oppressed. In our more fortunate age it has cemented friendship, restored the credit of the bankrupt merchant, succoured the ship-wrecked and exiled, set the prisoner free, fed the hungry, clothed the naked, visited the widow and orphan, and even arrested the uplifted steel thirsting for a foeman's blood. It has an universal language, and an universal fund of benevolence, It brings all classes of men together in equal and social intercourse. In our Lodges are those whose birth is noble, whose possessions are vast, whose talents are great, and whose taste is refined; by their side sit those who possess none of these things, and whom the outer world deems insignificant, because they are poor. Yet to them the rich man yields precedence and obedience in the Lodge, and in the public streets and market place salutes them as Brothers. Thus each learns to read and value the mind of the other, and to feel a deep sympathy for each other in the wants and pains of their common nature.

The scrupulous exclusion from our lodges, of all topics of religious and political discussion—those fruitful sources of envenomed dissension elsewhere, maintains this good feeling, and gives permanence to our institution.

The names of Alfred the Great and many others sovereigns, William of Wykeham, Cardinal Wolsey, Newton, Locke, Sir Christopher Wren, Inigo Jones, Wellington, Washington, and our present Prince of Wales, &c., silence calumny, and show that our science has a deep and abiding interest for the Statesman, the Minister of Religion, the Patriot, the Man of Science, and the Philanthropist. And now, my brethren, let me ask, how shall we best maintain and transmit the dignity of our Order, unsullied to our successors? I answer by simply remembering that to each of us great talents, pure Masonic jewels, of which those we wear are but the emblems, have been committed, which it is a sin against him who confided them to us to bury in a napkin. Let each remember that he is a stone forming a part of the great Masonic Temple, whether in the foundations, the buttresses, the walls, or the pinnacle, to which he can give strength, grace, and lustre, by a life modeled on Masonic principle or dim its brightness, and sap its foundations by forgetfulness of his obligations. Whatever good thing we find to do, let us do it at once, and with all our might, for "the night cometh when no man can work." Our own cup has been filled to overflowing by the Great Dispenser of all bounty, with corn, and wine, with oil and salt. Let us show our gratitude to the giver, by extending the readiest and amplest relief, to every being who bears his image, who depends upon his providence, who is led by his bounty, and who relies on his all-comprehending mercy. Brother Masons, let us look beyond the narrow limits of particular institutions, and recognize in every child of Adam a brother of the dust. Let us strive to bind the whole human family together with the strong chain of Brotherly Love; Belief, and with Charity in thought, Charity in word, and Charity in deed engraven on each golden link; when this shall be accomplished, then shall the whole race of man, of every sphere, nation, color, creed, and language, be fused into one universal Brotherhood, sending up to the great I Am the most acceptable offering and oblation, one universal Song of praise, bursting forth as from one tongue, swelling up as from one soul—

Father of all! in every age,  
In every clime adored,  
By Saints, by Savage, and by Sage;  
Jehovah, Ruler, Lord.

To Thee whose Temple is all Space,  
Whose altar, earth, air, skie\*,  
One chorus let all beings raise,  
All Nature's incense rise.

When that day comes we will lay aside our working tools for our labors will be ended. Then will our Lodges be closed, and our secrets may be proclaimed from the housetop, for the mission of Freemasonry will be accomplished. Let all the Brethren unite with me in saying, So mote it be ! (Cheers and applause.)

The following Psalm xcvi, v. 1 to 7 was then read:

O come, let us sing unto the Lord; let us make a joyful noise to the Rock of our salvation.

Let us come before his presence with thanksgiving, and make a joyful noise unto him with psalms.

For the Lord is a great God, and a great King above all gods.

In His hand are all the deep places of the earth; the strength of the hills is his also.

The sea is His, and He made it; and His hands formed the dry land.

O come, let us worship and bow down; let us kneel before the Lord our Maker.

For He is our God; and we are the people of His pasture, and the sheep of His hand

Glory be to God on high!

As it was in the beginning, is now and ever shall be, world without end; for His mercy endureth for ever. Amen

The following prayer was then offered up by the V. V. W. and Rev'd acting Grand Chaplain:

Great Architect of the Universe, Maker and Ruler of all worlds deign, from Thy celestial Temple, from Realms of light and Glory, to bless us, in all the purposes of our present assembly.

We humbly invoke Thee to give us at this, and at all times, wisdom in all our doings, strength of mind in all our difficulties, and the beauty of harmony in all our communications.

Permit us, O Thou Centre of light and life, great source of love and happiness, to erect this Lodge, and now solemnly to Consecrate it to Thy honor and Glory.

Response by the M. V. W. the G. M.—“Glory be to God on High.”

Response by the Brethren.—“As it was in the beginning is now, and ever shall be, world without end. Amen.”

The Consecration Elements were then sprinkled in the Lodge room in ancient and due form, after which the W. V. M. and Rev'd. acting Grand Chaplain resumed:

Grant, O Lord our God, that they who are (now about to be) invested with the government of this Lodge, may be endued with wisdom to instruct their Brethren in all duties. May brotherly love and charity always prevail among the Members of this Lodge; and may this bond of Union continue to strengthen the Lodges throughout the world.

Bless all our Brethren wheresoever dispersed, and grant speedy relief to all who are either oppressed or distressed.

We humbly commend to Thee all the members of Thy whole family. May they increase in the knowledge of Thee, and in the love of each other.

Finally, may we finish all our works here below, with Thine approbation;

and then have our transition from this earthly abode to Thy heavenly Temple above, there to enjoy light, glory, and bliss ineffable.

Response by the M.:W.: the G. M.—“Glory be to God on High!”

Response by the Brethren.—“As it was in the beginning is now, and ever shall be, world without end. Amen.”

The Grand Honors were then given,

SOLEMN MUSIC.

During which the Officers of Ashlar Lodge No. 3, passed around doing homage to the Grand Lodge.

The M.:W.: the Grand Master then caused the Grand Director of Ceremonies to make the following Proclamation, successively in the South, West and East:

“I am directed by the M.:W.: Israel Wood Powell, Grand Master Mason of British Columbia, to make Proclamation, that by virtue of the power and authority of the Grand Lodge, the Hall of Ashlar Lodge, No. 3, in Nanaimo, is now dedicated to the ancient usages of the Craft. And the Brethren of Ashlar Lodge are hereby empowered to meet in the said Hall and exercise all their rights and privileges in accordance with the tenor of their Charter and the Laws of the Grand Lodge, and may God prosper them.”

Response by the members of the Grand Lodge *only*. *So note it be.*

Solemn music was then performed.

Grand Honors, closed the Ceremony of Consecration.

The M.:W.: the Grand Master thereupon surrendered the Gavel to the W. M. of Ashlar Lodge, No. 3. Bro. James Brown and the several Officers of the Lodge took their proper stations.

Brother Brown in some happy remarks complimented the M.:W.: the Grand Master upon the solemn and impressive manner in which the ceremony had been performed, and asked his permission to confer the first degree of Masonry upon Mr. Alfred Samuel Gill.

The permission was granted with pleasure, and the work exemplified to the satisfaction of the Grand Master.

The Lodge was thereupon called to refreshment.

A splendid Banquet was served in the lower Hall of the building and partaken of, by the Officers of the Grand Lodge, about 40 Brethren of Ashlar Lodge No. 3, and a number of visitors.

After refreshment, the Lodge resumed labor, and the following toasts were drunk:

“The Queen and the Craft,” by W. M. Brown.

“The Prince of Wales and the rest of the Royal Family,” by the same, (the Prince being Grand Master Mason of England.)

"The health of the M.·W.·. the Grand Master of British Columbia," by the same.

Lieut. Col. Powell, responded and proposed "The health and prosperity of Ashlar Lodge, No. 3, coupled with the names of the W. M. and Officers."

Responses were made by the W. M. and Officers.

Vice-President Muir proposed "The health of the visiting Brethren."

Responded to by Bro. D. W. Higgins, of Victoria Lodge No. 1.

Bro. J. W. Bevilockway proposed "The health of absent Brethren."

Responded to by Bro. M. Bates, P. M. of Ashlar Lodge, No. 3.

W. M. James Brown proposed "The health and prosperity of the M.·W.·. Grand Lodges of England and Scotland."

Responded to by G. J. W. Eli Harrison.

The M.·W.·. the Grand Master, here stated that the Grand Lodge of England had recognized the Grand Lodge of British Columbia, and had appointed a Grand Representative in the presence of R. W. J. F. McCreight, Deputy Grand Master.

The Lodge was then closed in due form, and after a few other toasts, the company separated till evening, when
